

SOC CAREER AND TECHNICAL EDUCATION

PROGRAM OVERVIEW:

In partnership with DoD and the Military Services, Servicemembers Opportunity Colleges (SOC) has developed a Career and Technical Education (CTE) Resource List that identifies credit-bearing certificate programs in career and technical education fields. The CTE resource list was developed to assist military education counselors, academic advisers, and military members with identifying career and technical education pathways to civilian careers with positive growth potential. The institutions and certificate programs included on the resource list have been carefully selected based on program requirements determined by the DoD Voluntary Education (VolEd) Program. Certificates are closely aligned to the following areas:

- ✓ Business Management & Administration
- ✓ Health Sciences
- ✓ Information Technology
- ✓ Law, Public Safety, Corrections & Security
- ✓ Science, Technology, Engineering & Mathematics
- ✓ Transportation, Distribution & Logistics

STUDENT BENEFITS:

- 🔗 Certificates provide marketable, entry-level skills for civilian employment with bright outlooks
- 🔗 Strengthens transition possibilities while enhancing skill sets in support of military occupational specialties and promotion
- 🔗 Completion time varies but most certificates range from 18-35 credit hours
- 🔗 Certificates can be a stand-alone educational credentials or stackable, serving as a building block for an associate and bachelor's degree
- 🔗 Participating institutions agree to evaluate and award credit for military training and occupational experiences, as appropriate to the certificate
- 🔗 Institutions and certificate programs are carefully selected based on program requirements determined by the DoD Voluntary Education (VolEd) Program

PROGRAM ELIGIBILITY:

All active duty, enlisted, officer and warrant officers, National Guard and Reserve components, in all military services, including the U.S. Coast Guard are eligible to use the CTE Resource list.
